REF: (A) Contract TE-2191
(B) [redacted] s ltr. of 31 J25X1959

Gentlemen:

We have released as a supplemental payment the amount of \$960.47 which was suspended from your invoice number 42 and which you requested we release in reference (B) since this amount was left out of invoice 42 due to a clerical error.

You have also requested that we release all fixed fee suspended from your invoices numbered 35, 37 and 43 and that payment be made on invoice number 45 which also bills fixed fee for the reason that amendment No. 4 to the contract authorizes additional fee.

We cannot release the fixed fee suspended until you have complied with paragraph 4c of the General Provisions. The additional fee added by amendment No. 4 cannot be used as a basis for releasing the amount suspended since paragraph 3 of amendment #4 states "The work added by this amendment shall be identified internally as Project No. 2684. Costs and fixed fee for this particular work shall be segregated from the other costs and fixed fees for performance of work previously authorized."

Very truly yours,

Doug
